

NEXTGEN VISA® DEBIT CARD

Conveniently access your funds with a USECU NextGen VISA Debit Card. Present your card anywhere VISA is accepted and the funds will automatically be deducted from your Checking account.

MOBILE BANKING AND HOME BANKING

View your transactions and available balances via our Mobile Banking App or Home Banking website.

IT'S FREE

The USECU NextGen VISA Debit Card is free to all NextGen members between the ages of 14 and 26. Thereafter, the card is free to members with a total monthly Direct Deposit of \$500.00.

CREDIT AND DEBIT TRANSACTIONS

A "credit" transaction occurs when you select "credit", at a store for example. You will generally need to sign for a credit transaction. A "debit" transaction occurs when you enter a PIN (Personal Identification Number). Both types of transactions are withdrawn from your Checking account; however, your "credit" limit is higher than your "debit" limit. Although you are assigned two distinct limits, your Checking Account balance will dictate how much you can withdraw.

SURCHARGE FREE

You will have access to tens of thousands of ATMs surcharge-free. Go to myusecu.org for links to:
