

# VISA® DEBIT CARD

Conveniently access your funds with a USECU VISA Debit Card. Present your card anywhere VISA is accepted and the funds will automatically be deducted from your Checking account.

## HOME BANKING AND MOBILE APP

Our Mobile App and Home Banking make it easy to remain in balance. No need to visit a branch or mail a check, take advantage of Remote Deposit via the Mobile App. It's easy to enroll!

## IT'S FREE

The Debit Card is free to members with a total monthly Direct Deposit of \$500.00.

## CREDIT AND DEBIT TRANSACTIONS

A "credit" transaction occurs when you select "credit", at a store for example. You will generally need to sign for a credit transaction. A "debit" transaction occurs when you enter a PIN (Personal Identification Number). Both types of transactions are withdrawn from your Checking account; however, your "credit" limit is higher than your "debit" limit. Although you are assigned two distinct limits, your Checking Account balance will dictate how much you can withdraw.
